Relevant Work Experience

UX/UI Designer, All Binary, Remote — 2021

- Prepared preliminary sketches, models, or diagrams to reflect design concepts.
- Presented design work to clients and internal stakeholders to share and challenge ideas.
- Worked closely with development teams to implement design specifications.
- Conducted UX workshops, sharing expertise to educate and guide others in UX design.
- Collaborated as a consultant for diverse clients, delivering tailored design solutions based on user research and industry standards.
- Enhanced existing designs using user-centered approaches and best practices, resulting in improved usability.

Major achievements

- Organised and structured previous design assets in order to make the design and development process more efficient.
- Drove the implementation of a workflow where the design laid as the foundation for the development, hence letting the developers focus on development instead of design.
- Delivering all projects in a structured way within the set deadlines.
- Designed a comprehensive fire alarm system management application for Panasonic across various devices.

Freelancer UX/UI Designer, Remote — 2020-2021

- Managed numerous projects simultaneously to meet tight deadlines.
- Delivered projects with creativity, speed and accuracy, utilising exceptional layout and design skills.

Major achievements

- Redesigned one of Sweden's most visited websites to increase usability for the users and create revenue for the owners.

English Teacher, MondragonLingua, Mondragón, Spain — 2012-2021

- Cultivated welcoming learning environments in both classroom and online contexts.
- Developed lectures and assignments centered on literary analysis and writing fundamentals.
- Improved student participation and communication, facilitating online class discussions centered on course concepts.

Call Center Representative, eBay, Dublin, Ireland — 2007-2008

- Assessed customer needs and escalated calls to specific departments.
- Completed high volume of inbound and outbound calls within deadlines.

Graphic Designer, Markaryds Grafiska, Markaryd, Sweden — 2000-2004

- Prepared final print-ready image files to send to production.
- Managed numerous projects simultaneously to meet tight deadlines.

Education

- **User-centered design and Design Thinking**, IDF — 2019-2020
- **Web design and Web programming**, University West — 2015-2016
- **Tourism Management and Economics**, Linnaeus University — 2009-2012
